BTPTFA104	Facials	0.0718563	On Campus	12 weeks		\$1,495.00
BTPTWT101	Waxing & Tinting	0.0718563	On Campus	12 weeks		\$1,495.00
BTPTMP103	Mani/Pedi	0.0419162	On Campus	7 weeks		\$875.00
BTPTMU102	Makeup	0.0958084	On Campus	16 weeks		\$1,620.00
BTPTAP106	Anatomy & Physiology	0.239521	Distance	Start at any time. Duration: 295 calendar days	59 calendar days from commencement*	\$1,210.00
BTPTCC107	Cosmetic Chemistry	0.0598802	Distance	Start at any time. Duration: 80 calendar days	16 calendar days from commencement*	\$350.00
BTPTSP110	Spa	0.0419162	On Campus	7 weeks ⁺	Use the table below to calculate the census date	\$1,000.00
BTPTAF108	Advanced Facials	0.0598802	On Campus	10 weeks		\$1,250.00
BTPTIH111	Indian Head Massage	0.0479042	On Campus	8 weeks		\$995.00
BTPTHS112	Hot Stone Massage	0.0538922	On Campus	9 weeks		\$1,120.00
BTPTAR109	Aromatherapy	0.0479042	On Campus	8 weeks		\$1,000.00
BTPTNU113	Nutrition	0.0598802	Distance	Start at any time. Duration: 80 calendar days	16 calendar days from commencement*	\$350.00
BTPTBE114	Body Electrics	0.0479042	On Campus	8 weeks	Use the table below to calculate the census date	\$995.00

* If the census date falls on a weekend or public holiday (which the institute is closed for), then the census date will be the next business day

You can use the calculator on: <http://www.easysurf.cc/ndate1.htm> to calculate the dates

⁺ This (Spa) unit includes a practical training day in a spa environment that will be scheduled mid week.

Instructions for Calculating the Census Date:

Step 1) Find the total course duration in weeks (including any public holidays that fall within the course) in column A

Step 2) Add the corresponding number of days from column B to the course start date to find the census date (Tip: it is easiest to count the days out using a calendar).

Step 3) If the census date falls on a weekend or a public holiday, the census date will be the next business day.

Example:

Step 1) The Massage unit starts on the 11th of April 2015 and runs over 10 weeks and 2 public holidays fall within the course, therefore the total duration is 12 weeks.

Step 2) By looking up 12 in column A, you find that the days to add from column B is 15. Adding 15 days to the 11/04/2015 = 26/04/2015.

Step 3) As the 26th of April 2015 is a Sunday, the census date will therefore be the following day- Monday 27th April 2015.

Lookup Table for Calculating the Census Date	
A (Weeks Duration)	B (Days to Add)
7	8
8	9
9	11
10	12
11	14
12	15
13	16
14	18
15	19
16	21
17	22
18	23
19	25
